

MIST Accelerate Course

An innovative program starting in April 2025

Introduction

The MIST Accelerate Course is designed for kindergarten graduates ready to take the next big step. This innovative initiative allows students to join Year 1 in April, paving the way for a transition to Year 2 the following school year in September.

This course will support you in key areas, including the Cambridge curriculum and English phonics, ensuring that your child will be well-prepared and confident when they start. With tailored plans and engaging activities leading up to their April start date, we're dedicated to helping each student catch up and thrive in their new learning environment. Join us this April and watch your child flourish in our vibrant school community. We can't wait to welcome them to the MIST family!

This special program is limited to only 15 students. Students who have reached Age of 5 as of Sep. 1, 2024 are eligible for this program.
